We accept that it is generally more appropriate for development to be directed towards the non Green Belt locations except where there is no alternative. Notwithstanding this the Council fails to recognise that there may be small sites on edge of Coventry which lie in the Green Belt but which fulfil a very limited Green Belt role and can be developed without detriment to the wider purpose of including land within the Green Belt. Indeed no reference is made to Coventry at all in the Revised Development Strategy set out in paragraph 4.3.12. The Strategy should be amended to include such references and acknowledgements
