The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Avoiding areas where there is the potential for noise and other disturbance;
- Provision of utilities (running water, toilet facilities, waste disposal, etc);
- Avoiding areas where there could be adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

Please give your views about site suitability below with reference to this list of criteria.

Which site are you responding to?

Do you have any other suggestions for land within this district that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the land owner's details below:

I am objecting to the sites in Warwickshire I fully appreciate you have some Gypsy sites but at the moment with houses & HS2 & now this the area will become over lived.

There is a site down on the main Banbury Road which has been empty for a long time at one stage it looked like a commercial caravan ^{site} was going to be there but ^{nothing} has come of it. It had a brown sign saying caravan site. I hope you know where I mean when leaving Warwick it is on the left hand side.

That would be ideal for quite a big site for Gypsy / Traveller site with easy access to towns + M40.

You cannot put these sites near the race course or schools. Or take up any more of our countryside.
