Please set out full details of your objection or representation of support with reference to the criteria as outlined by the council.

Acess to local Amenities! - Doctors (local) surgeries are already removing patients from their lists due to over crowding. The nearest surgery has no capacity for new patients others are five miles away and there is no direct bus service.

Impact on local economy! - The site, being so close to Warwickshire Exhibition Centre, will have and already has had the effect of loss of business this will surely lead to closure of W.E.C. with loss of jobs and revenue.
