## Part B - Commenting on the Gypsy and Traveller Site Options

If you are commenting on multiple sites you will need to complete a separate sheet for each representation

Sheet  of

The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Avoiding areas where there is the potential for noise and other disturbance;
- Provision of utilities (running water, toilet facilities, waste disposal, etc);
- Avoiding areas where there could be adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

Please give your views about site suitability below with reference to this list of criteria.

Which site are you responding to?

(e.g. GT01 - Land adj. to the Cobalt Centre, Siskin Drive)

HAMPTON ROAD.

What is the nature of your representation?

Please set out full details of your objection or representation of support with reference to the criteria above.

We recently moved to the area and discovered that Hampton Rd is already a very busy road leading into the town centre which is an attractive tourist destination renowned for its beauty and historical value. We feel that a site of this kind so close to Warwick Town would have a negative impact on visitors.

Knowing the weight of opinion following the public meetings held recently it is unlikely that peaceful and integrated co-existence between gypsies and the local community could exist.

It is already difficult to get an appointment at the local G.P. surgery on Chase Meadow and with the site rapidly expanding the situation will only get worse.
