The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Avoiding areas where there is the potential for noise and other disturbance;
- Provision of utilities (running water, toilet facilities, waste disposal, etc);
- Avoiding areas where there could be adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

Please give your views about site suitability below with reference to this list of criteria.

Do you have any other suggestions for land within this district that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the land owner's details below:

NO attempt to integrate with local, settled community

Travellers on bikes Next site selling cars & caravans regularly from the site AND from layby at end of Brownsley Green Lane on A4177 - breach of regulations

Undue pressure on local highways, lanes, sewerage & other waste disposal

Intimidation currently from travellers in white vans ~~forcing~~ forcing residents onto banks by bikes Next & Brownsley Green Lane (then turning onto the bike Next Site). Children from site making rude signs to passers by & adults staring at residents walking on lanes, footpaths & bridle paths to extent that we no longer feel comfortable to walk or cycle

WHY NO TRAVELLERS' SITES IN KENILWORTH?
