

Mrs P. [REDACTED]

9885.

To whom it may concern,
Reference to the information
I have received from
Baginton Parish Council
Regarding the Proposed
Local Plans for Gateway
and Gypsy Site / Travellers.

I wish to hereby state
as a local resident
my objections to both
proposed plans

I would like ask WDC
to reconsider their views

I was born in Baginton
72 years ago. This village
is small, and has enough

28810
to cope with as
it is. We are not
a dumping site for
any thing more. Let
us keep some GREEN
BERT PLEASE
