**RE: Gypsy & Traveller Site, (G101 & G107)**

Dear Sir or Madam,

I would like to register my opposition the proposed Gypsy & Traveller Site in Baginton.

We already have a similar site in Siskin Drive, which is just over a mile away on the outskirts of our village. It seems you have the idea that Baginton should have every proposed development, following on from the massive Gateway project.

We already have terrible noise pollution in Mill Hill, from the traffic on the A46 & A45 and this development would be the final death nail for our rural way of life. The green-belt around our village is precious and you have the responsibility to protect and preserve the limited green-belt in Warwickshire.

Yours faithfully,

John Coad
