- 1/ Due to the excessively busy A4177 already a black spot for accidents. It is not safe at the moment to walk along the road. The area cannot take anymore traffic!
It is not suitable for anymore development
- 2/ There is regular flooding on the storm drains on the Birmingham rd and there has been no infrastructure improvements when the Habton est was built.
- 3/ I object to any development on the Birmingham rd due to further traffic problems and lack of infrastructure and damage to the Greenbelt.
