Why do the housing numbers need to be so high, we have moved from Whitnash to Tachbrook as we had hundreds of new houses built in Whitnash plus WARWICK GATES - the stress on all services is awful and not fair.

From 1991 - 2011 population growth was 18% but now a further 20% increase is proposed in the local plan in Rds. within 12yrs is 12300 homes using projections based on natural population growth + allowance for migration

only 5400 homes are required
In the opinion of WDC own
consultants only 4405 are
needed.

New houses for new jobs are not required,
as warwick district has low
unemployment at 1.7%.

Also the roads will become
swamped with extra traffic,
all services will be stressed and
Tachbrook will lose its
village appeal which is why
we moved here and paid a high
value price for the privilege.
