Further development of 70+ houses in Barford are totally over numbered and it must be remembered that our school could not accommodate any or many more children - the one excellent but small shop would not be able to cope with many more residents and the nearest Doctors Surgery is over 3 miles away. Although the by-pass has made significant difference to the traffic passing through the village, the added downside is the excess traffic coming up Church Street / High Street to get to the business park in Warwick - in the mornings & evenings. There are at least 4/5 Coaches passing up these streets, added to school coaches & it takes at least 5 mins. to cross the Road.

As for gypsy sites in Westham lane - apart from extra people & vehicles from these sites - the only exits are on to the by-pass - ~~bin~~ being the A429 with speeds of 60 m.p.h & more - this would be a huge hazard on a road where there has been fatalities already.
