Dear Sir,

We object to the Local development plan of 12300 homes. We have seen reports that 4405 homes are only needed.

The development of 12300 homes would spoil the countryside and put a heavy burden on the infrastructure of the whole area. We have to queue to get into and out of Leamington and Warwick now.

Also. Bishop's Tachbrook do not need 100-150 homes. The village should be kept as it is.

We need to keep our countryside. No development on green belt land.

Yours sincerely,

(Pensioners)
