Which part of the document are you responding to?

Revised development strategy

Paragraph number / Heading / Subheading (if relevant)

Map (e.g. Proposed Development Sites - District Wide)

Proposed development sites.

What is the nature of your representation?

Support

Object

Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I broadly support the revised development strategy in particular the removal of development on green belt in the North of Leamington as this cannot be justified.

Support is on the basis that adequate infrastructure is considered: roads / schools / leisure facilities - not just a football facility but swimming pools / tennis / badminton courts etc. / GP + health facilities

Allocation of employment land is essential to economic growth to meet increased needs.
