Criteria by which Gypsy and Traveller's sites will be judged for suitability and sustainability by Warwick District Council:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Provision of utilities (running water, toilet facilities waste disposal etc);
- Avoiding areas where there could be an adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

IT IS IMPORTANT to comment/object adhering to the above criteria and the council provided form follows that process. It is implied that you should use the WDC form or the response form available online. YOU ARE HOWEVER STILL PERMITTED to respond by writing to the Council's Development Policy Manager or you could choose to use this site specific form prepared for GT 02

Please set out full details of your objection or representation of support with reference to the criteria as outlined by the council.

1. GP surgeries and schools are several miles away and impossible to access without a car. Do they have spare available space? Leamington old town now has a new very large student accommodation block, which has obviously increased the pressure on local GPs.
2. Public transport is not very frequent and is often delayed due to roadworks etc. somewhere along the route.
3. The Fosse Way is a 2000 yr. old roman road. The site could be important archaeologically - there have been several finds nearby. Prehistoric finds have also been made.
4. This site could not be integrated into the local landscape, because it is very obvious when approaching from all directions, especially from Ifiton Hill.

Warwick District Council will judge proposed sites against the nationally accepted criteria. The purpose of the criteria is to seek to meet the requirements of the Gypsy and Travellers community not necessarily local residents, businesses and employment.

Areas of concern could include:

• Agriculture • Animal Welfare • Co-existence • Crime • Ecology and Habitat • Education/Schools • Healthcare/ Surgeries • Highways and Safety • Local Economy • Rural Landscape • Services and Utilities • Tourism • Traffic Density/ Flow • Urbanisation.

to the proposals on the following grounds -

1. The Warwickshire Exhibition Centre is gaining more interest as people from further afield are hearing about it. This provides work for local people and brings money into the area. It would be a pity if it had to fold. The local economy would lose out.
2. The Fosseway is a notoriously dangerous road. Children playing on the site could distract passing motorists if they are too near the road. If they want to cycle to school it is virtually impossible and, if necessity they would have to go by car. This would add to the already very busy rush hour traffic.

Do you have any other suggestions for land within Warwick District that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the landowners details below:

Guidance on Making Representations

- You may withdraw your objection at any time by writing to Warwick District Council, address below. It is important that you include your name and address as anonymous forms cannot be accepted. If your address details change, please inform WDC in writing.
- All forms should be received by **5.15 p.m. on Monday, 29 July 2013**
- Copies of all the objections and supporting representations will be made available for others to see at the council's offices at Riverside House and online via the council's e-consultation system. Please note that all comments are in the public domain and the Council cannot accept confidential objections. The information will be held on a database and used to assist with the preparation of the new plan for Gypsy and Traveller sites and with consideration of planning applications in accordance with the Data Protection Act 1998.

To return this form please drop off at either Riverside House, Leamington Town Hall or your local library or post to **Development Policy Manager, Development Services, Warwick District Council, Riverside House, Milverton Hill, Leamington Spa CV32 5QH** or email to: newlocalplan@warwickdc.gov.uk
