Criteria by which Gypsy and Traveller's sites will be judged for suitability and sustainability by Warwick District Council:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Provision of utilities (running water, toilet facilities waste disposal etc);
- Avoiding areas where there could be an adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

(Please delete as required.)

Please set out full details of your objection or representation of support with reference to the criteria as outlined by the council.

Traffic Density & Flow:

Proposed site is on a very busy route. Lorries and caravans turning into and off site would cause major traffic problems.

Ecology & Habitat:

A rural setting is proposed and sites previously occupied  areas strewn with litter which rate payers have to pay to be cleaned up.

Services Required:

Rural setting means disruption of installing ~~sewers~~ sewers etc.

Please continue on a separate sheet if necessary
