Development Policy Manager,
Warwick District Council.

Dear Sir,

Gypsy/ Traveller Site Options
(Ref: G101 & G104)

I would like to register my objection to the above plan, as Green Belt land will be taken, and it will be adjacent to Coventry airport, the industrial park and will also be in the vicinity of several sewage treatment works, causing more noise and air quality problems.

There are already three traveller sites within a few miles of Baginton at Siskin Drive, Brandon Lane and Oxford Road.

Also the proposed site in Stoneleigh Road is on private land, which includes part of a Cecal Nursery. It seems very unfair to a rural business, which has been there for a long time, to force them to give up part of their land for such a development when there are more suitable sites,

I hope you will bear these points in mind when making a decision regarding this plan.

Thank you,

—
