Dear Sir

GT04 – Proposed traveller site on land at Harbury Lane, Fosse Way

I write to register my objections to the above proposal.

- 1 The roads surrounding the area are notoriously busy and hazardous. There are no bus stops nearby, and I doubt that any could be safely provided. There are no footpaths or cycle lanes. How could children safely travel to school?
- 2 The school and GP surgery in Harbury village already operate to capacity. How could they be expected to cope with the influx of newcomers?
- 3 There is no mains gas, mains sewerage or drainage on the proposed site.
- 4 Wildlife habitat would be destroyed, and the appearance of the rural landscape would be damaged.

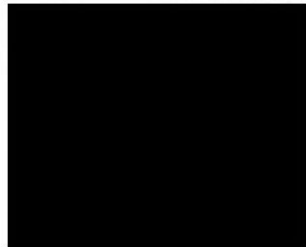

Yours faithfully
