Gypsy and Travellers Site Options - Response to Site GT02

Dear Sir

This letter is to lodge our objection to the proposed Gypsy and Travellers Site GT02 to be sited off the B4455 Fosse Way on the edge of Radford Semele village.

Our objection to the proposal is based on the fact that in our opinion there can be no safe access onto the road network from this proposed site.

The B4455 Fosse Way is notorious for accidents caused by speeding vehicles. All movement in and out of the proposed site (directly onto the Fosse Way) would be very dangerous for the occupants of the site, and also for the general public using the B4455.

We back-up our objection to this proposal using the experience of over forty years living in Radford Semele, many of those years spent using the B4455 on a regular daily basis.

Yours sincerely

Mr David York and Mrs Christine York
