## Criteria District Council

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Provision of utilities (running water, toilet facilities waste disposal etc);
- Avoiding areas where there could be an adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

IT IS IMPORTANT to comment/object adhering to the above criteria and the council provided form follows that process. It is implied that you should use the WDC form or the response form available online. YOU ARE HOWEVER STILL PERMITTED to respond by writing to the Council's Development Policy Manager or you could choose to use this site specific form prepared for GT 02

I object to site GT02 being used as a Gypsy + Traveller site on the following basis. It is not suitable/sustainable:

There is poor public transport provision and local schools / GP surgeries would not be able to cope with increased demand - this will impact on local people + hinder co-existence. The area already has heavy traffic usage + a high accident rate on this stretch of the Fosse Way, with recent fatalities. Increased traffic will mean increased risk. This is an area of historic (Roman) + great natural beauty. There are no shops / services within 'safe'

walking distance for gypsy families to use.

Warwick District Council will judge proposed sites against the nationally accepted criteria. The purpose of the criteria is to seek to meet the requirements of the Gypsy and Travellers community not necessarily local residents, businesses and employment.

Areas of concern could include:

• Agriculture • Animal Welfare • Co-existence • Crime • Ecology and Habitat • Education/Schools • Healthcare/Surgeries • Highways and Safety • Local Economy • Rural Landscape • Services and Utilities • Tourism • Traffic Density/Flow • Urbanisation.

to the proposals on the following grounds -

The Warwickshire Exhibition Centre is a thriving local business which will undoubtedly suffer as a result.

There will be a significant impact on the wide local economy if the Exhibition Centre suffers + tourism around the location. ie local pubs, cafes, shops.

Visitors could be put off visiting the area.

Increased traffic around the Fosse Way + surrounding roads is of great concern. due to high accident levels in recent years.

Local infrastructure is not geared up to cope with increased demand.

Do you have any other suggestions for land within Warwick District that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification?. If so, please give the location and the landowners details below:

## Guidance on Making Representations

- You may withdraw your objection at any time by writing to Warwick District Council, address below. It is important that you include your name and address as anonymous forms cannot be accepted. If your address details change, please inform WDC in writing.
- All forms should be received by **5.15 p.m. on Monday, 29 July 2013**
- Copies of all the objections and supporting representations will be made available for others to see at the council's offices at Riverside House and online via the council's e-consultation system. Please note that all comments are in the public domain and the Council cannot accept confidential objections. The information will be held on a database and used to assist with the preparation of the new plan for Gypsy and Traveller sites and with consideration of planning applications in accordance with the Data Protection Act 1998.
