Criteria

## District Council:

- Convenient access to a GP surgery, school and public transport;
- Avoiding areas with a high risk of flooding;
- Safe access to the road network and provision for parking, turning and servicing on site;
- Provision of utilities (running water, toilet facilities waste disposal etc);
- Avoiding areas where there could be an adverse impact on important features of the natural and historic environment; and,
- Sites which can be integrated into the landscape without harming the character of the area.
- Promotes peaceful and integrated co-existence between the site and the local community;
- Avoids placing undue pressure on local infrastructure and services;
- Reflects the extent to which traditional lifestyles (whereby some travellers live and work from the same location thereby omitting many travel to work journeys) can contribute to sustainability.

IT IS IMPORTANT to comment/object adhering to the above criteria and the council provided form follows that process. It is implied that you should use the WDC form or the response form available online. YOU ARE HOWEVER STILL PERMITTED to respond by writing to the Council's Development Policy Manager or you could choose to use this site specific form prepared for GT 02

Please set out full details of your objection or representation of support with reference to the criteria as outlined by the council.

Having lived in Radford Semels for over 29 years I am very familiar with the exhibition site as I visit there several times each year. These shows are very interesting and attract a lot of people both local and from a wide area. I have spoken to many people who have travelled over eighty miles

While Mr Deith has been the owner of the site he has put a lot of time, money & effort to improve the site and building also the car parking area which is very extensive to accommodate the large amount of cars which visit the site.

There are no footpaths at all around the exhibition site and the only bus stop is on the grass verge, with no proper waiting area.

There are a lot of local people employed during the show time which is beneficial to

Warwick District Council will judge proposed sites against the nationally accepted criteria. The purpose of the criteria is to seek to meet the requirements of the Gypsy and Travellers community not necessarily local residents, businesses and employment.

Areas of concern could include:

- Agriculture • Animal Welfare • Co-existence • Crime • Ecology and Habitat • Education/Schools • Healthcare/ Surgeries • Highways and Safety • Local Economy • Rural Landscape • Services and Utilities • Tourism • Traffic Density/ Flow • Urbanisation.

to the proposals on the following grounds -

the local part time workers which also brings visitors and staff that work on the show stands many who live in local hotels and bed and breakfast accommodation while the show is on. If this proposal is approved I think it will be detrimental to the whole region.
