Support

Object

Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I feel very strongly that the Gypsie & Travellers should be placed on Brown field sites or industrial estates, with the necessary infrastructure or incorporate these sites on future building housing Estates so that the full infrastructure schools doctors can be built from the outset

Site 16 is actually the flood compensation area from the Barford bypass & contains a permanent central pond & is unsuitable for any form of development.

Site 12 & 16 sit within (Part) & otherwise immediately adjacent to areas identified by the Environment Agency as having significant flood risk.

Site 12 & 16 No or water voles sighted, Protected species.

Site 12 & 16 Vehicular access to these sites is from the A429 trunk road which was constructed as a bypass for Barford, it is 60mph speed limit road & there have been a significant number of accidents including fatality. The existing access into the sites is entirely inadequate.

Strongly object!!
