Which part of the document are you responding to?

☐ Page ☐ Chapter Paragraph
☐ Table or Figure ☒ Village Plan

What is the nature of your representation?

☐ Support ☒ Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

Object to proposals for 5 additional houses on 1 site in HILL WOOTTON.

This is a small rural hamlet of just over 20 properties & the proposal is a significant increase to the hamlet.

The road through the village has been a significant cause for concern as it is used as a 'rat run' from the main Kenilworth/Leamington Road to Warwick. & the speed of the traffic has been dangerous. We know the speed limit will be reduced to 30 mph but this will not stop many going too fast & it being a short cut. Additional housing will add to this problem.
