What is the nature of your representation?

☐ Support

☐ Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

My main concern is traffic and pedestrian safety
Woodcote Lane is presently used by villagers, vehicles using this as
a short cut to and from Kenilworth, agricultural machines to
outlying fields. and commercial vehicles.

At present, vehicles travelling on Warwick Road can not be
seen until well past Hill Wootton Road, Increasing traffic
would increase accident potential.

Further concern would be for pedestrian traffic (children going to
school) on narrow footpaths ~~and~~ negotiating increased traffic
and deliveries to residents and off loading to the Archer Inn
