BURTON GREEN VILLAGE PLAN

☒ Village Plan

What is the nature of your representation?

☒ Support

☐ Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I am prepared to support the village plan subject to the following conditions:-

- 1) Having only just moved into Red Lane our major concerns are-
- a) that the road isn't de-valued b) too much extra traffic c) too many houses suggested

- 2) Please could the houses be shared between 2 Sites, half of them on the Burrow Hill site and the other half on one of the other sites further down Cromwell Lane (Coventry end) eg options 2, 5 or 6.

This would - a) share the extra traffic

- b) share the impact to the residents (Red Lane already have HS2 to face) + this would be too much to cope with
- c) make it easier for a developer to find buyers if all houses wouldn't be so close to proposed HS2

And also 4) if quality houses could be put on the Burrow Hill site to keep up the status + value of Red Lane, and not cheaper housing on the Cromwell Lane site.

- 3) Also on Burrow Hill site, with reduced number of housing, we need more of the land for community use for the village and the inclusion of a piece of land for a church. the village is currently lacking in community buildings like this.
- 4) We do not want any development further down Red Lane.
