

# Village Housing Options Response Form 2013

For Official Use Only	
Ref:	
Rep. Ref.	

Please use this form if you wish to support or object to the Village Housing Options and Settlement Boundaries.

If you are commenting on multiple sections of the document you will need to complete a separate copy of either Part B and/or Part C of this form for each representation.

This form may be photocopied or, alternatively, extra forms can be obtained from the Council's offices where the plan has been made available (see back page). You can also respond online using the LDF or places Consultation System, visit: www.warwickdc.gov.uk/newlocalplan

### Part A - Personal Details

	Personal Details	2. Agent's Details (if applicable)
Title	Mr	
First Name	Dave	
Last Name	Steele	
Job Title (where relevant)		
Address Line 1		
Address Line 2		
Address Line 3		
Address Line 4		
Postcode		
Telephone number		
Email address		
Would you like to be made awar	e of future consultations on the new	Local Plan?   ✓ Yes No.
About You: Gender		
Ethnic Origin		
Age		
Where did you hear about this c	onsultation e.g. radio, newspaper, w	ord of mouth, exhibitions, parish coun

## Part B - Commenting on the Village Housing Options

Page Chapter Village Plan  at is the nature of your representation? Support or objection. If objecting, please set out what inges could be made to resolve your objection (Use a separate sheet if necessary).  **Village Housing Plan - 12 Radford Semele**  wish to comment on pages 56 & 57 of your local plan consultation document.  While I accept the need for additional housing in the village, I object to site 1 on the following grounds:  **Traffic generation and access** 100 houses will generate significant additional traffic for which the village road system is not suitable  **Impact on the rural landscape**  The village landscape will be irreparable damaged by housing on this site  Site 4 would be preferable on both these points.  **addition I would like these points to be considered (these relate to all proposed sites):  **School places** 100 houses will increase the village population by approx. 240 people (10%)  This will require an additional 20 places in the village primary school  **Public Transport**  Buses should be routed through any new development  **Traffic management**  A new roundabout or traffic light controlled junction will be required in the village centre  **Pedestrians/Cyclists**  Provision for walking and cycling should be improved - a footpath/cycle track is required linking Offchurch Lane with Offchurch Greenway (Sustrans Route 41) and the Grand Union Canal  If Site 1 is developed, improved access in the form of a footbridge will be required to link the site with village shops and community facilities on the south side of the village  Finally, to extract maximum benefit for the village, I hope that applications are being invited from more han one developer. If done properly this could be a model site of carbon-neutral eco-excellence. The incheme could comprise passive or ground source heating, community solar/wind power and methane ligestion from waste.	7 Table or Figure Village Plan  nat is the nature of your representation? Support V Object  passe set out full details of your representation of support or objection. If objecting, please set out what anges could be made to resolve your objection (Use a separate sheet if necessary). ## Part C - Commenting on the Indicative Settlement Boundaries

ch settlement are you responding to?	Radford Semele
at is the nature of your representation?	Support √ Object
	representation of support. If objecting, please set out what ction (use a separate sheet if necessary).

### Guidance on Making Representations

- Please use this response form as it will help the Council to keep accurate and consistent records of all the comments on the Plan, alternatively complete online at www.warwickdc.gov.uk/newlocalplan
- If you wish to make comments on more than one aspect of the Plan, please use a separate copy of either Part B and/or Part C of this form for each
- · You may withdraw your objection at any time by writing to Warwick District Council, address below
- It is important that you include your name and address as anonymous forms cannot be accepted. If your address details change, please inform us in writing
- All forms should be received by Monday 20 January 2014.
- Copies of all the objections and supporting representations will be made available for others to see at the Council's
  offices at Riverside House and online via the Council's e-consultation system. Please note that all comments on the
  Local Plan are in the public domain and the Council cannot accept confidential objections. The information will
  be held on a database and used to assist with the preparation of the new Local Plan and with
  consideration of planning applications in accordance with the Data Protection Act 1998
- To return this form, please drop off at one of the locations below, or post to: Development Policy Manager, Development Services, Warwick District Council, Riverside House, Milverton Hill, Leamington Spa, CV32 5QH or email: newlocalplan@warwickdc.gov.uk

#### Where to see copies of the Plan

Copies of the Plan are available for inspection on the Council's web site at www.warwickdc.gov.uk/newlocalplan and at the following locations:

Location	
Warwick District Riverside House,	Council Offices Milverton Hill, Royal Leamington Spa
Leamington Tow
