Dear Sirs

VILLAGE HOUSING OPTIONS AND SETTLEMENT BOUNDARIES CONSULTATION

I have gone through the documentation relating to the proposed consultation and, as you will see from the address above, I live in the village/hamlet of Hill Wootton.

As we are all aware, there is a great need for housing throughout the country and there is no way that can be accommodated on brownfield land. I believe therefore the proposals that growth in the villages and settlement boundaries, as your proposal, throughout the district need to be supported.

More locally, the proposals put forward for the village of Leek Wotton and its adjoining hamlet of Hill Wootton are not unreasonable and therefore, I have no objections thereto subject to whatever development takes place is in keeping with the surrounding area.

Yours faithfully

PETER J HOLT
