Local Plan, Warwick District Council 2014.

Leek Wootton Parish Council

Jan 2014

9 Hillwootton Hamlet P51 area 34 HK

Is marked as an overflow in the Leekwootton allocation and will deliberately convert a small integrated rural community, into an urban joining settlement.

As regarding the adjoining viable farm buildings and business of over 80 years in my memory, and its viable activity, would render this no longer possible to continue, ownerships apart.

The selected area is pasture, grazed by sheep, never built on. The one-way lane access is already difficult to negotiate between verge parked vehicles and site extra traffic can only make progress worse, for needed farm traffic daily and business activities; who even now have to wait to pass oncoming vehicles.

An increased chance of the Act of Trespass, and uncontrolled dogs, will erode the present rural scene as it is enjoyed, and destroy its future, by this development.
