Dear Sir, Re Meadow House, Kingswood

I see there is a proposed allocation for the above site, which I found interesting, in relation to my own situation. I have lived at the above address since 1975 and for the past 13 yrs here mostly <sup>been</sup> by myself and with the years passing finding size of house & garden getting too much, even with assistance. A property in the area of Kingswood, close to amenities Railway Station, Doctors Surgery Post office, Village Shop would be wonderful and still not too far from friends made over many years.

Having been to the recent meeting at Rouington Village Hall, would like to get again support the proposed allocation, as I am sure this would be a very good site.

Yours faithfully
