I object to Option 1 being the preferred option as this will have the maximum visual impact on the village.

Option 1 has been brought in at a very late stage. Previously we as a village were being asked to choose between options 2, 3 & 4 as the only options.

Roundabouts onto main road from sites 2 & 3 could be created. Some of traffic from these 2 sites would be to Fosse way so traffic impact on village would be less than for site 1.

CHANGE:-

Remove site 1 Option 1 from plan.

I object to the land to the east of Church  
land being the preferred option. This is  
agricultural land that is currently being  
farmed by a local farmer. It is land  
which gives Radford Semele its feel as  
a village.

CHANGE:-

I would prefer less houses to be built -  
maximum 50 on one of the other sites  
used to make up the numbers. The houses  
should be of the same type as those on  
Offchurch lane to minimise the visual  
impact. This would spread the impact  
in the village - having 2 sites.

I object to this proposed change to the village boundary north of Church End. The land around the Church should be preserved as open land without houses on.

CHANGE :-

Keep the village envelope as it is.
