Burton Green Option 1.

I feel that the site is too small for 75 houses and that Hob Lane & Cromwell Lane would be unable to cope with the impact of traffic in this one small area.

• Not in character with other houses in the village

• Impact on the landscape is not good for that many houses.

• Maybe 35 houses could be located here and then 35 more at Option (6) where there is a good entrance to the old Sports Ground.

~~OR~~ - Spread the new houses between several locations in the village

I am led to believe that many years ago the piece of land at the bottom of Red Lane, towards the Kenilworth Rd was earmarked for a housing estate. Sewers were laid and the roads were even named on the plans. Would it not be possible to revisit these plans and maybe use the land that belongs to this Warwickshire County Council farm?

Also there are certain ^(pockets) amounts of land in Burton Cleeve that could be used as infill sites. This would reduce the impact of a huge housing estate on the village. Give us a break we've had enough with the impact of H.S.2.!!
