I object to siting of additional housing in our village as the site in question involves a blind bend and access to the site is very restricted. I have lived in Hill Wootton for 22 years and the bend in question is extremely dangerous & have had numerous near misses over the years with on coming traffic. Also the school in Hill Wootton is over subscribed as it is, with new children to the village having to be driven to Kenilworth to School.

There is no public transport in the village. The nearest bus stop being 1200 m away for an infrequent service. The only amenity in the village is a post box! No street lighting, shop etc.
