- 1). I worry that I will lose the vehicle access to my new gate - I need this for a variety of deliveries.
- 2). Foul drainage is already inadequate from the recently built social housing - the air pollution we have to endure approx every six weeks is totally unacceptable.
- 3). The traffic in this area is becoming heavier - most homes having at least two cars - in an emergency situation the roads can often be blocked.
A child play area is needed badly now overwhelmed with so extra homes.
- 4). This area has been left undisturbed for many years and is now a very interesting nature reserve - with slow worms, snakes and newts. There is a great variety of wild flowers, trees and birds. The ivy covered trees are a perfect habitat for bats.
