Too many properties are proposed for the preferred site (1) which will alter the character of the village. Other sites in Red Lane could relieve this housing density. Minimal bus service plus no shops and the impact of HS2. would not make this an attractive area to choose to live. The proposed Village Hall replacement is not central in the village and space is too limited.

Part C - Commenting on the Indicative Settlement Boundaries

If you are commenting on multiple sections of the document, you will need to complete a separate sheet for each representation

Which settlement are you responding to?   BURTON GREEN.

What is the nature of your representation?   ✓ Support   ☐ Object

Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (use a separate sheet if necessary).

The boundary should include the gardens of properties. but a minimum incursion into the Green Belt is required, otherwise many applications for development of other sites will follow and will be difficult to refuse.
