Dear Sir

I did not know of this Village Housing Option Plan until a Meeting at the Village Hall on the 20th January 2014 in the evening. It must have got lost in the Christmas mail or activities at that time

yours faithfully

Part of this land is less than 120 from the proposed High Speed 2 rail line with all that involves. Night work to maintain the track and proposed trains every 4 minutes. Just a little noisy. This is not in keeping with the rest of our village which is ribbon development, and the land is in the Green Belt. Some while ago this 3 acer field grew food or had cows on the area until it was split into 3. I do not like to see good food production acres being used for housing and all the problems that can bring, flooding, drainage ect. Please say NO. Or just a few small bungalows at the end of the long gardens.

With boventry boundary being so near to that of Burton green I feel the green Belt should be drawn very tightly in that area. Half the village of Burton green use to belong in Solihull as the Alms homes did or still do, why not use some Solihull land now?

I think the new village hall should be built opposite the top of Red Lane on the Farm Field and infill with houses along Red Lane and Hal Lane with medium size gardens only. Keep the green Belt as now no back land infilling.
