My objection to the current plan is the total number of new dwellings proposed for Leek Woolton. 80+ new properties in a village of approx 300 is a massive increase - far larger than is proposed for other villages in the plan. This will have an adverse effect on the unique community spirit that is Leek Woolton.

My preferred option would be to see a maximum of 35 new properties in small pockets (in fill?) which would protect the visual aspects of the village. Of these 35 properties I would like to see 15-20 as affordable homes which must not be available for buy to let.

Other objections would be ~~1~~ the roads cannot cope with a large increase in traffic - the Anchor Junction and Wood Gate Lane are quite inadequate for present volumes. ② The numbers attending the school would lead to overcrowding again affecting the excellent teaching conditions.

Green Belts were put in place for a very good reason - to prevent over development of rural areas. How far does a village have to grow before it stops being a village!  
There should be no change to Green Belt.
