Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

As a resident of marten close I object to option 1 mainly because of the impact it would have on the amount of traffic & pedestrians around the end of my road. I chose marten close four years ago because of its quiet position, with a 100 more properties at the end of the road, I feel this will be ruined. Hampton magna has a good crime record at present. But with the type of housing being proposed I feel there will be a noticeable rise.
