What is the nature of your representation? Support Object

Please set out full details of your representation of support or objection. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

I think the increase in traffic on Arros Boulevard onto Old Budbrooke Road will cause congestion and increase the likely hood of accidents, especially with the parking of cars on Blandford way. There will also be more conjection onto Birmingham Road and the A46 junction.

The alternative would be to make a new road onto Hampton Road from the new homes.
