What is the nature of your representation?

Support

Object

Please set out full details of your objection or representation of support. If objecting, please set out what changes could be made to resolve your objection (Use a separate sheet if necessary).

The proposal of 100-150 houses in the small area of Kingswood would more than double the population in this part of the Lapworth parish

I do not object to having more housing in Kingswood but more than doubling the size of Kingswood can only be viewed as a vindictive attack on Kingswood's existing residents.

If we wanted to live in urban sprawl with amenities we would have bought a house in Dorridge.
