Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

GREEN BELT LAND: This should be sufficient objection and end of the debate full stop. It is certainly NOT "Very Exceptional Circumstances!"

IMPACT ON LANDSCAPE & CHARACTER: The site will have a negative impact both on a visual and noise basis, for tourism & ecology/wildlife.

Detrimental to Ecology, Nature & Wildlife: Councils are promoting the growth of nature by leaving "green areas" uncut for wildlife habitat but then want to build on "Green Belt", which is pure hypocrisy!

ACCIDENT BLACK SPOT: It will purely add to further potential fatalities.

## Part B - Commenting on the Gypsy and Traveller Preferred Sites

If you are commenting on multiple sites you will need to complete a separate sheet for each representation

Sheet  of

If you have objected to a Preferred Option site, is there another site (green or amber) from the Alternative Sites that you would support instead? Give your reasons for preferring this site?

I understand the sites on the A46 were offered to the travellers but declined. (The old Little Chert sites).

This would be the ONLY site I would consider, but to be perfectly honest I do not appreciate why any site should be offered?

I would also appreciate an understanding of the costs for these sites and who is supposed to pay for them.

Do you have any other suggestions for land within this district that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the land owner's details below:
