Part B - Commenting on the Gypsy and Traveller Preferred Sites

The policy in the Draft Local Plan will list the criteria by which Gypsy and Traveller sites will be judged for suitability and sustainability. These are the criteria: - Impact on the green belt - Impact on Landscape character - Impact on heritage assets and the settings of heritage assets - Impact on designated areas of nature conservation Flooding issues - Ability of infrastructure requirements to be adequately met - Impact on ecology - Impact of land contamination, noise and other disturbance - Agricultural land quality - Impact on visual amenity including the visibility and character of the site and surrounding area - The potential for the site to be adequately screened - Access to the road network - Distance to GP surgeries, schools, dentists, hospitals, shops and community facilities - Proximity to other residential properties - Potential for the proposal to utilise previously developed land - Safe access to and from the site for vehicles and pedestrians - Site topography - Suitable size
sustainability. These are the criteria: - Impact on the green belt - Impact on Landscape character - Impact on heritage assets and the settings of heritage assets - Impact on designated areas of nature conservation Flooding issues - Ability of infrastructure requirements to be adequately met - Impact on ecology - Impact of land contamination, noise and other disturbance - Agricultural land quality - Impact on visual amenity including the visibility and character of the site and surrounding area - The potential for the site to be adequately screened - Access to the road network - Distance to GP surgeries, schools, dentists, hospitals, shops and community facilities - Proximity to other residential properties - Potential for the proposal to utilise previously developed land - Safe access to and from the site for vehicles and pedestrians - Site topography
