Please set out full details of your objection or representation of support with reference to the criteria above.

I strongly object to the inclusion of site GTAT03 in the local plan, sites for Gypsies and Travellers. The site is within the Green Belt and in the last five years has been refused planning permission twice in 2009 & 2011. The site has also been dismissed by the Planning Inspectorate and in 2009 and in 2010 the Warwick District Council took out an injunction to prevent any development. The conditions that applied then are still valid and relevant today. Hampton on the Hill is not identified within either the adopted WLP local plan 2006 or within the draft Village housing options consultations as a location for any new residential development as such it is also not a suitable location for a Gypsy and Travellers site. I therefore request that site GTAT03 be removed from this plan.
