Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

AT04 fails to meet the majority of the above criteria. More specifically:-

- ① The site is approximately 30 minutes walk from my GP surgery, school, ~~shops~~ shops and community facilities
- ② AT04 is very close to a major accident black spot - the Harbury Lane / Fosse Way - @ pedestrian access from this site is dangerous

## Part B - Commenting on the Gypsy and Traveller Preferred Sites

If you are commenting on multiple sites you will need to complete a separate sheet for each representation

Sheet \_\_\_\_\_ of \_\_\_\_\_

If you have objected to a Preferred Option site, is there another site (green or amber) from the Alternative Sites that you would support instead? Give your reasons for preferring this site?

- I don't feel that any of the alternatives match the listed criteria

Do you have any other suggestions for land within this district that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the land owner's details below:

None

- Central Government may soon abolish the G & T planning requirements. There is no reason why WDC cannot wait to see if this requirement is abolished. It is very disappointing to see how much WDC money has been spent on this exercise.
