- Impact on Landscape character
- Impact on heritage assets and the settings of heritage assets
- Impact on designated areas of nature conservation Flooding issues
- Ability of infrastructure requirements to be adequately met
- Impact on ecology
- Impact of land contamination, noise and other disturbance
- Agricultural land quality
- Impact on visual amenity including the visibility and character of the site and surrounding area
- The potential for the site to be adequately screened
- Access to the road network
- Distance to GP surgeries, schools, dentists, hospitals, shops and community facilities
- Proximity to other residential properties
- Potential for the proposal to utilise previously developed land
- Safe access to and from the site for vehicles and pedestrians
- Site topography
- Suitable size
- Availability of the site (including impact on the existing uses on the site)
- Deliverability of the site and associated infrastructure requirements

Please give your views about site suitability below with reference to this list of criteria.

Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

This site would make life very difficult for the people living in the neighbouring houses at Leamington Hall Farm.

The site ground has flooded in the past. It flooded in 1998. It is situated on a busy road near to the Fosse crossroads which is an accident black spot.

The local GP surgery at Harbury and Bishops Itchington would be overwhelmed with the increased numbers of people.

There is additional extra housing already planned for the area and the local schools would find it difficult to cope with extra children. GT04 is not a suitable site for gypsies and travellers.

Please set out full details of your objection or representation of support with reference to the criteria above.

This proposed site is too close to Honey Cottage and could render it impossible to live there.

Exhibition Centre would have to close making their employees lose their jobs.

Site is on fast, busy road, very dangerous for pedestrians.

No schools near site. Local GP surgeries already overstretched and none close by.

This is an unsuitable site for gypsies and travellers.
