Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

The above site does not meet several of the District Council's criteria:

- (i) Barford has no GP surgery, dentist, or secondary school. The nearest GP surgery is over 4 miles away and there is no direct public transport;
- (ii) the access to the site is from a 60m.p.h road and would be dangerous to slow-turning caravans;
- (iii) access to village services would be dangerous as it necessitates crossing the busy & fast A429;
- (iv) there are no electricity or water services to the site and to provide them would be expensive.
