Please set out full details of your objection or representation of support with reference to the criteria above.

- Impact on visual amenity
- Potential for site to be adequately screened
- Safe access to and from site for vehicles + pedestrians - a very dangerous crossing of Bayford Bypass which has already had several serious accidents including a fatality
- Proximity to by-pass would make the site unbelievably noisy + unpleasant for the gypsy families making it difficult for their children to sleep
- If a child should venture outside of the encampment it could be instant death on the very busy road.
