Please set out full details of your objection or representation of support with reference to the criteria above.

1. No services (water etc) & the water table is high & sewage is a problem.
2. The bypass is a busy road that curves which would render access/exit dangerous.
3. A site would overwhelm & isolate the small existing community.
4. A site would be visually detrimental as land is flat & open
5. The land is Grade 2 agricultural land
6. The owners do not wish to sell

## Part B - Commenting on the Gypsy and Traveller Preferred Sites

If you are commenting on multiple sites you will need to complete a separate sheet for each representation

Sheet 1 of 1

If you have objected to a Preferred Option site, is there another site (green or amber) from the Alternative Sites that you would support instead? Give your reasons for preferring this site?

GT alt 01 - eminently suitable with good proximity to all community services & good road services. It is already set up as a caravan site & is easy to screen.

GT 15 - land to the east of Europa Way has good road access & is reasonably near public services. It's easy to screen & has no adverse impact on anybody.

Do you have any other suggestions for land within this district that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the land owner's details below:
