Part B - Commenting on the Gypsy and Traveller Preferred Sites

If you are commenting on multiple sites you will need to complete a separate sheet for each representation

Sheet of

If you have objected to a Preferred Option site, is there another site (green or amber) from the Alternative Sites that you would support instead? Give your reasons for preferring this site?

- continued
- Developing the site will damage wildlife
 - The land is near a very dangerous junction which is known for serious + fatal accidents. The increase in traffic from a G+T site would only serve to increase the risk of future accidents
 - The site is near a chicken farm + would not be a good place to live due to bad aroma. It is also prone to noise pollution from Harbury lane breakers.

Do you have any other suggestions for land within this district that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the land owner's details below:
