Please give your views about site suitability below with reference to this list of criteria.

Which site are you responding to? OAKLANDS FARM BIRMINGHAM ROAD
RUDBROOKE CT 19
(e.g. GT04: Land at Harbury Lane/Fosse Way)

What is the nature of your representation? Support Object Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

This proposed site is a green belt area.
The site is in full view of the main road into Warwick - negative impact on tourism and local housing.
It is also a busy and dangerous road and a well known black spot.
The tight knit community of local residents would be outnumbered and overwhelmed.
It is also near deep water and a railway line - not a safe place for children who roam around.
