Which site are you responding to? GT12 Land north of Westham Lane Berford
(e.g. GT04 Land at Harbury Lane/Fosse Way)

What is the nature of your representation? Support Object Comment

Please set out full details of your objection or representation of support with reference to the criteria above.

I believe this site will impact the items I have highlighted above. I think also that the site's proximity to the Berford bypass is a risk for people trying to cross and vehicle access onto the road.

I think that the site is too far from the village to ensure integration will take place, rather than isolation.

Part B - Commenting on the Gypsy and Traveller Preferred Sites

If you are commenting on multiple sites you will need to complete a separate sheet for each representation

Sheet of

If you have objected to a Preferred Option site, is there another site (green or amber) from the Alternative Sites that you would support instead? Give your reasons for preferring this site?

I would support sites GT01 as I believe larger fewer sites would be a better option. This point is also true for GTalt 19 when looking at the selection criteria I believe the following sites are all more suitable than GT12.

GT 02, GT 04, GT 06, GT 19, GTalt 02, 03, 07, 11 & 16.

Do you have any other suggestions for land within this district that you think would be suitable for use as a Gypsy and Traveller site, bearing in mind the criteria for site identification? If so, please give the location and the land owner's details below:
