Dear Sir

My wife and I object to the preferred and alternative option Gyfroy and Travellers site. GTO5. Land at Tachbrook Hill Farm. It would spoil the landscape and harm the character of the area. We also think Oatley wood could suffer damage from the site being very close.

As we live on the edge of Bishops Tachbrook, we would feel unsafe having the site just a field away. Also, with the other option sites, Bishops Tachbrook would be surrounded by Gyfroy sites, which would have an adverse effect on the village.

To give a sector of society special rights above everyone else is fundamentally wrong: it does not bring about equality but undermines it.
