Dear Mr Barber,

I am writing with regard to the proposed Gypsy & Traveller sites - Preferred Options.

The site GT04 is thoroughly unsuitable considering that it will put yet more road traffic onto the Fosse Way/Harbury Lane crossroads, at what is already a lethal junction with regular accidents. There is no safe pedestrian access into Harbury village and the village Primary School and Doctors Surgery cannot support the needs of any more people. Lastly, it would be a complete waste of money to move the Football Club and lose their already established facilities.

The other site GT02 would also add traffic to the very busy Fosse Way and would hugely impact on local homes as would GT04.

I look forward to your response.
